Dear Ms. Lippard:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 40205.

The City of Burleson (the "city") received a request for "a full police report with statements pertaining to an assault" involving a juvenile, who apparently received a probated sentence which was later revoked. You contend that the identity of the juvenile offender is excepted from required public disclosure under section 552.101 of the Government Code and Chapter 58 of the Family Code, as information made confidential by law.

The requested law enforcement records concern conduct committed by a juvenile before January 1, 1996. The release of these records is governed by former Family Code section 51.14(d),<sup>1</sup> which provides, in pertinent part:

(d) Except as provided by Article 15.27, Code of Criminal Procedure, and except for files and records relating to a charge for which a child is transferred under Section 54.02 of this code to a criminal court for prosecution, the law-enforcement files and records

---

<sup>1</sup>The Family Code was substantially amended by the Seventy-fourth Legislature including the repeal of section 51.14. Act of May 27, 1995, 74th Leg., R.S., ch. 262, § 100, 1995 Tex. Sess. Law Serv. 2517, 2590. However, the amendments to the Family Code apply only to conduct that occurs on or after January 1, 1996. *Id.* § 106, 1995 Tex. Sess. Law Serv. at 2591. "Conduct that occurs before January 1, 1996, is governed by the law in effect at the time the conduct occurred, and that law is continued in effect for that purpose." *Id.* The requested information concerns conduct that occurred before January 1, 1996. See generally Open Records Decision No. 644 (1996).

[concerning a child] are not open to public inspection nor may their contents be disclosed to the public.<sup>2</sup>

In Open Records Decision No. 181 (1977) at 2, this office held that former section 51.14(d) excepts police reports which identify juveniles or furnish a basis for their identification. *See also* Open Records Decision No. 394 (1983) at 4-5 (applying former Fam. Code § 51.14(d) to "police blotter" and related information). You do not indicate that the offense report at issue here relates to charges for which the city transferred the juvenile under section 54.02 of the Family Code<sup>3</sup> to a criminal court for prosecution, nor that article 15.27 of the Code of Criminal Procedure<sup>4</sup> applies. Moreover, we do not understand any of the exceptions to former section 51.14(d) to apply here.<sup>5</sup> Accordingly, we conclude that the city must withhold the requested information under section 552.101 as information deemed confidential by law.

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied upon as a previous determination regarding any other records. If you have questions about this ruling, please contact our office.

Yours very truly,

Sam Haddad  
Assistant Attorney General  
Open Records Division
